**uk.bookshop.org - AFFILIATION**

Bookshop.org was founded with a mission to support Independent bookshops. Participating/affiliated bookshops receive a share of the profits from all books ordered via their website. Many customers have asked if we know of uk.bookshop.org. Yes we do, and we have an affiliate homepage with them –here is our Burway Books link (where you will find many more of our recommendations): <https://uk.bookshop.org/shop/burwaybooks>

You may well find books on their website that we don't have in stock, and although we would be happy to order them for you, you may alternatively wish to purchase via our affiliate link on their website. We will still benefit from this.
