'THE LAST PARTY'

by **Clare Mackintosh**

For crime fiction fans, the first in a new series from bestselling author Clare Mackintosh, featuring DC Ffion Morgan and inspired by the area around Bala and the Welsh borders.

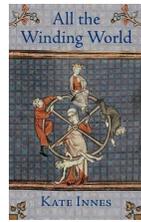

On New Year's Eve, Rhys Lloyd has a house full of guests. His lakeside holiday homes are a success, and he's generously invited the village to drink champagne with their wealthy new neighbours. But not everyone is there to celebrate and by midnight Rhys will be floating dead in the freezing waters of the lake.

On New Year's Day, DC Ffion Morgan has a village full of suspects. The tiny community is her home, so the suspects are her neighbours, friends and family – and Ffion has her own secrets to protect. With a lie uncovered at every turn, soon the question isn't who wanted Rhys dead . . . but who finally killed him. In a village with this many secrets, a murder is just the beginning.

(Clare's previous book, 'Hostage', is also recently published in paperback)

"..... I had that familiar conviction that life was beginning over again with the summer."

F. Scott Fitzgerald, 'The Great Gatsby'

'THE GARDENER' by **Salley Vickers**

Now available in paperback

One of our bestsellers in hardback, 'The Gardener' is now available in paperback. Set in the fictional Hope Wenlock, the novel centres on the relationship between a woman and her Albanian gardener as they bring a long-neglected garden on the Welsh Marches back to life.

SIGNED SPECIAL EDITION

'The House of Fortune' by **Jessie Burton**

We have a limited number of copies of this beautiful spray-edged Independent Bookshop Special Edition of Jessie Burton's new novel.

The sequel to her million selling 'The Miniaturist'. Set in Amsterdam in 1705, this is a glorious, sweeping story of fate and ambition, secrets and dreams, and one young woman's determination to rule her own destiny.

'THE FEVER OF THE WORLD'

by **Phil Rickman**

We had a good turnout for Phil Rickman's book signing with many of his longstanding fans here to say hello after a 4 year break. Phil tells us that he's already working on the next Merrily Watkins novel, which is great news for those who have missed his popular diocesan exorcist. We have plenty of books in stock for anyone who missed out on the day.

CLASSIC NOVELS

Do you know that we have many shelves full of classic novels, from Louisa May **Alcott** to Emile **Zola**, from **Animal Farm** to Dr **Zhivago**—an A-Z of literature over the centuries. Rediscover old favourites, or get around to reading the book that you've always wanted to read (or said you ought to read. Yes, we DO have *Ulysses* by James Joyce, and *War and Peace* by Tolstoy!). We have authors from all around the world, and many different editions (including some beautiful collector's and gift editions). We even have a selection of novels in translation and a few in their native language.
