Hooked

By Asako Yuzuki

The thrilling new novel of friendship and dangerous obsession from Asako Yuzuki, the award-winning author of the global sensation *Butter*. Eriko really wouldn't mind being savaged, if it was her best friend doing the savaging ... Eriko's life appears perfect – devoted parents, pristine apartment and a high-flying job in the seafood division of one of Japan's largest trading companies. Her latest project, to reintroduce the controversial Nile perch fish into the Japanese market, is characteristically ambitious. But beneath her flawless surface she is wracked by loneliness. Eriko becomes fascinated with a popular blog written by a housewife, Shoko. Shoko's posts about convenience-store food and her messy home are the opposite of the typical manicured housewife.
