New novel from bestselling author
Maggie O'Farrell

Land £25

The year is 1865, and in a country not long since ravaged and emptied by the Great Hunger, the task is not an easy one. Tomás, however, is determined that his maps will be a record of the disaster. The British soldiers in charge are due to arrive any day, expecting the work to be completed, but Tomás is sent off course by an unsettling encounter in a copse of trees.

His life, and those of his family, will never be the same again. Liam is terrified by the sudden change in his taciturn father. What was it that caused such cracks to open in Tomás and how is

Liam, aged only ten, going to finish the mapping, and get them both home? Land is a story of buried treasure, overlapping lives, ancient woodland, persistent ghosts, a particularly loyal dog, and how, when it comes to both land and history, nothing ever goes away.

Independent booksellers love Maggie O'Farrell's work; she has written a lovely forward to *Land* "I could not have written this book, or indeed any others, without independent booksellers sleuthing for the exact titles I needed..."
